## **HOMEWORK CLUB**

Homework Club is offered Monday through Thursday. During this time, children in the homework club work independently to complete their homework. The site director is available to offer assistance to those who need help. Please contact your site director to sign up. Throughout the year, if you have concerns about your child's completed homework, we encourage you to talk with your child's site director and bring it to their attention. While we cannot offer one-on-one tutoring, we will do what we can to assist your child in getting their homework completed.

## **SNACK**

Children are provided a daily snack and drink from the USDA's Child and Adult Care Food Program (CACFP), which is planned and prepared by the school's cafeteria. If they desire something else, they are welcome to bring a different snack from home. If your child has a food allergy, please let us know in advance so an alternate snack can be arranged. Snack menus are posted weekly on the parent communication board.

## **CHILDREN WITH SPECIAL NEEDS**

We welcome all children into our program and make reasonable accommodations for children with special needs. If your child has a special need, please let us know in advance so that we can prepare accommodations for them before your child starts. Our staff will work closely with you to help your child have a successful and enriching afterschool experience.

## **PHOTO RELEASE**

During the enrollment process, if permission for your child to be photographed was granted, CSACC may use the photo in the following ways: crafts, CSACC website or social media, CSACC newsletter, TV news station or newspaper, school yearbook, etc. Should you wish to change your initial selection, you can notify us in writing if at any point you wish to change the initial selection.

## **ARRIVAL PROCEDURES**

While it is the classroom teacher's responsibility to see that your child arrives to our program each afternoon, your child's safety is our number one priority. Your child's attendance is taken daily at dismissal by both their Group Leader and the Site Director upon their arrival. The whereabouts of all absent children who are scheduled to attend will be verified by the Site Director to ensure they are where they are supposed to be and safe.

## **NOTIFICATION OF ABSENCE**

Your child's classroom teacher needs a written note when your child's itinerary changes and they will not be attending afterschool care. The child's teacher will then give this change of transportation note to the front office who will communicate this change to us. Each day, CSACC is informed by the school's front office when enrolled children are: 1) checked out, 2) absent, 3) send in a change of transportation, and 4) participate in other afterschool clubs and activities list(s). We appreciate when you inform us of any changes to your child's schedule in advance as our day runs smoother when we don't have to look for missing children.

## **WITHDRAWAL PROCEDURES**

If any schedule changes are permanent or you wish to withdraw, we ask that you talk to your Site Director directly and/or call our administrative office at (850) 479-7814. You may withdraw your child from our program at any time. After 2 weeks of non-payment, your child will be withdrawn and your child's spot will be lost unless other mutually agreed upon arrangements have been made with the CSACC administration.

## **PICK UP PROCEDURES**

Each afternoon you will be required to check out your child using our digital kiosk or, on select occasions, by signing our sign-out book. If someone else is to pick up your child, the individual must be listed on your child's authorized pickup list. Each pickup person will setup his or her own unique digital pin/password. Government issued picture IDs will need to be presented if our staff does not recognize you or the individual picking up your child. Site Directors may from time-to-time act as a receptionist and digitally sign out your child for you if needed.

If an intoxicated or drug impaired adult arrives to pick up a child, the child will NOT be released to the adult and another contact on your child's pickup list will be called.

### **AUTHORIZING OTHERS TO PICKUP CHILD**

After the enrollment process is complete, your child's authorized pickup people can be viewed online in your Parent Portal, [MyProcare.com](https://www.MyProcare.com). The only people permitted to add/remove pickup people are the legal parents/guardians of the child.

During the year if you need to add/remove a person from your child's authorized pickup list, we do not accept phone authorization nor can you make changes online. To add/remove people to your child's authorized pickup list, you may do so in person with your Site Director on-site, through email, or by faxing authorization to (850) 479-2119. If adding someone by email or fax, a copy of the parent/guardian's ID must accompany the email or fax. To avoid potential pick-up delays, it is strongly recommended to add new pickup people before the day they are to pickup for the first time.

### **COURT ORDERS OF ENROLLED CHILDREN**

When children are affected by court orders, please provide us a copy of the legal paperwork so that we can enforce the orders. Without court paperwork, parents will not be permitted to remove others listed as legal parent/guardian or other authorized pickup people without consent of the other parent/guardian.

### **EMERGENCY CONTACT INFORMATION**

If anytime during the school year your emergency contact information changes, we ask that you update your information with us immediately. In the event of an emergency, we need to be able to reach you. Furthermore, we require two (2) emergency contacts in addition to the parent(s) to be listed on each child's authorized emergency pickup list at any given time. If you are listed as a payer on your child's account, you will have access in MyProcare.com to update your personal information online. You will not be able to update any other pickup people's information online during the year. During the re-registration process, you will have the ability to update all your pickup people online.

## **EMERGENCY PREPAREDNESS**

In case of emergency, our staff and students want to be prepared. CSACC holds monthly fire drills to practice getting out quickly and orderly from the afterschool program. CSACC also practices lockdowns and inclement weather drills.

## **CSACC ACCIDENT POLICY**

If your child is involved in an accident during the after school program, a CSACC staff member will administer Basic First Aid and/or CPR if needed. The Site Director will write an accident report describing the accident for you to sign, and you will be given a copy of the report to keep. If needed, the Site Director will call the parent/guardian or if unable to be reached another authorized person listed as an emergency contact on your child's pickup list to come pick up early. If your child needs medical attention beyond the basic first aid, the director will call 911 for an ambulance to transport your child to your preferred hospital of choice. Parents will be notified immediately.

## **DISCIPLINE & EXPULSION POLICY**

We strive to encourage all children to have good behavior through clear guidelines, engaging program activities, and positive staff interaction. Through a carefully planned environment with low ratios, adequate toys and materials, developmentally appropriate activities and routines, we recognize we can prevent behavior problems.

Character education is the cornerstone of CSACC with curriculum reflecting positive character traits which include respectfulness, trustworthiness, fairness, responsibility, caring, and citizenship among many more. We want to help children learn lifelong social skills that will help them become independent and positive members of society who can think critically and apply conflict resolution strategies to find solutions and manage their emotions.

When problems do arise, we redirect the child to an appropriate activity and may pull them aside to discuss their behavior. If needed, we may have to remove them from the activity for their safety and/or the safety of others around them. The CSACC program incorporates the "Peace Place" as a safe place to calm down, discuss problems and brainstorm

conflict resolution solutions. Students who go to the Peace Place have several stress reducer items to handle while cooling off. Through this reflection, students learn to self-regulate and recognize their emotions before acting on them. Problem solving tools (conflict resolution) are taught to help the children learn to problem solve and make good choices independently.

Parental support may be requested when problems arise in the after school program. Furthermore, afterschool site directors may request information and assistance from school staff with any discipline issue. This may include information regarding behavior that may be caused by trauma, emotional or medical problems, or information regarding special techniques that are being used successfully with the student during the school day.

In the event that a student's behavior is repetitive and does not cease after the steps above or is disruptive, harmful or negative to the extent that it is detrimental to other students, program or staff, written documentation will be done and shared with the student's parents immediately. Site directors will record such incidents using an incident report. A plan for handling future behavior will be discussed with staff, parents and student. This plan may include behavior modification, positive reinforcement or redirection methods.

If at any point, parents/guardians have a concern regarding how their child is treated they should let their site director know. If the situation is still concerning after discussing it with your site director, parents/guardians are encouraged to contact the CSACC administrative office. At no point are parents or guardians permitted to talk to other children in the program, doing so is grounds for termination from the program.

If another incident occurs, written documentation will be done and the site director will contact the parents to discuss the incident again. A third incident of like-nature requiring written documentation will be grounds for suspension or termination from the program.

All official Escambia County School Board and Florida Department of Children and Family policies relating to discipline will be followed.

We reserve the right to immediately suspend or permanently dismiss children from the program due to the following:

- Fighting
- Injuring self, another child or staff
- Inappropriate language
- Running from Staff
- Destruction of Property
- Stealing
- Threatening violence
- Leaving a designated area without permission
- Harassing or bullying another child
- Biting and/or Spitting

Depending on the severity of the incident, the result may be:

- 1 Day suspension
- 3 Day Suspension
- 5 Day Suspension
- Permanent Dismissal

### **BULLYING POLICY**

CSACC is a BULLY-FREE Zone. This means that we do not tolerate bullying in our programs. Name calling, put-downs, inappropriate language will not be tolerated. CSACC expects children to respect classmates, staff and their school. We encourage students and parents to tell our directors about problems to ensure the emotional and physical well-being of students are maintained and upheld.

### **ILLNESS POLICY**

If a child becomes ill while attending CSACC, parents will be contacted and the child sent home for the following:

- Oral temperature of 100 degrees or greater
- Vomiting
- Liquid stools
- Uncontrollable and persistent coughs
- Appearance of acute illness or complaint of severe pain

In the event a child exhibits any of these symptoms, the child's parent will be called. When the director deems a child too ill to remain in the CSACC program, parents have the responsibility and will be expected to pick up their child as soon as possible. Until the parent arrives, the child will be excluded from activities with other children. The child will rest in a quiet area secluded from the main program area, supervised by a staff member.

Parents will be notified about outbreaks of the following:

- Strep throat
- Impetigo
- Measles, mumps, chicken pox, rubella
- Pinworms
- Lice
- Salmonella

A parent may not bring a child to the program if the child has:

- A strep throat or impetigo that has not been treated with antibiotics for at least 24 hours.
- A rash of acute symptoms associated with fever or symptoms of illness.
- An oral temperature of 100 degrees or greater or has had a fever within the last 24 hours
- Persistent vomiting and/or diarrhea in the previous 12 hours.
